McCoy Creek Temporary Road Closure

IDAHO FALLS, ID: The McCoy Creek Road (Forest Road 087) in Bonneville County, Idaho will be closed August 8 to 12, 2005 for a culvert replacement project at Trout Creek. Signs will be posted in the area of the closure.

This location is about approximately 7 miles from Alpine, Wyoming, 21 miles from Herman, Idaho and 4 miles from the junction of US 89 and McCoy Creek Road. The purpose of this project is to install a larger culvert that will be less prone to blockage by beavers, less likely to threaten the road with wash-out, and provide better fish passage. Forest Officials appreciate the public's patience as our crews complete this important project.

For more information, contact the Palisades Ranger District Office at (208) 523-1412.
